

Corrugated Boxes

Transit-grade cartons that arrive as they left the line.

We manufacture 3-ply and 5-ply corrugated boxes for transit, storage, and retail-ready packaging. Board specification is built around your actual load — flute profile, liner GSM, and bursting strength chosen for the weight and the journey, not a generic grade. Available as standard RSC cartons or die-cut to your own drawing, plain or printed.

Also known as: Corrugated carton · shipping box · transit carton · RSC box · export carton · cardboard box

Specifications

Category	Corrugated & Boxes
Construction	RSC (0201) & custom die-cut
