

Oil & Grease Resistant Paper Bags

Food-safe bags that hold up against grease, oil, and moisture.

Oil and grease resistant (OGR) paper bags are specifically engineered for food service applications. A barrier coating prevents grease, oil, and moisture from seeping through the paper, keeping the bag intact and hands clean. Ideal for QSR chains, burger joints, bakeries, and food delivery. Available in flat handle and no-handle formats.

Also known as: Grease-proof paper bag · greaseproof bag · OGR bag · snack bag · fried-food bag

Specifications

Category	Special Attribute
Handle type	Flat Handle / No Handle
Bottom construction	V Bottom / Square Bottom
Materials	Brown Kraft, White Kraft
Paper weight (GSM)	70–120 GSM
Basis weight (approx.)	≈ 45–75 lb (24×36 basis)
