

Pizza Boxes

Food-grade, grease-ready, and locked shut in one fold.

Single-piece lock-corner pizza boxes in food-grade E-flute board, folded flat for storage and assembled in one motion at the counter. The flute keeps the base rigid under a hot pizza and insulates on the way to the customer, while corner venting lets steam out so the crust does not go soft in transit. Printed with your branding or supplied plain.

Also known as: Pizza carton · takeaway pizza box · food delivery box · E-flute pizza box
