

V-Bottom Flat Handle Paper Bags

Versatile everyday bags with a V-fold base and flat handle.

V-bottom flat handle paper bags are a popular choice for food delivery, retail, and grocery applications. The V-fold base provides a compact flat profile when empty, making them easy to stack and store, while expanding to hold items when loaded. Flat handles make them easy to carry and quick to pack at counters.

Also known as: V-bottom flat handle bag · flat handle satchel · takeaway carry bag
