

V-Bottom Paper Pouches

Compact standup pouches for dry goods, groceries, and specialty products.

V-bottom paper pouches are handle-free bags designed for filling and sealing at point of use. Their V-fold base lets them stand upright when filled, making them ideal for dry goods, spices, flour, coffee, and small retail items. Lightweight and compact, they ship and store efficiently at scale.

Also known as: V-bottom pouch · grocery pouch · flat merchandise bag · dry-goods bag · block-bottom pouch
